

regardless of intended use

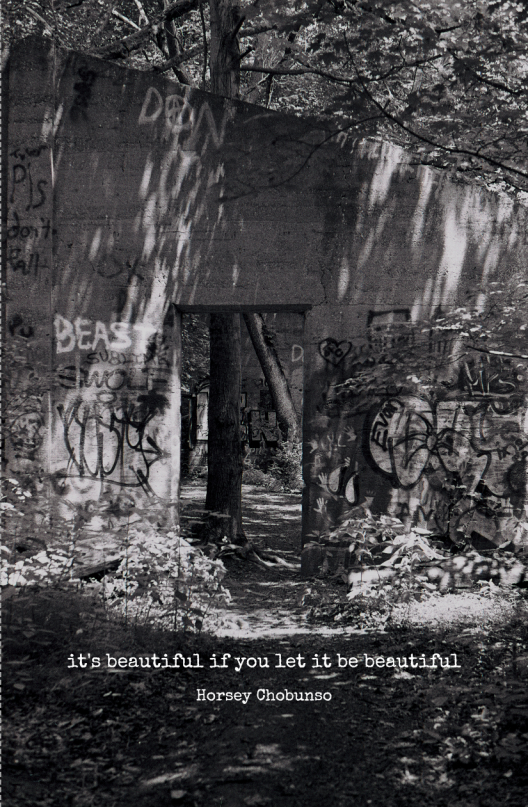

artists use the world as a canvas

I see graffiti as art in spaces that have been left to decay
a restoration of beauty to walls that have been left to rot

whether its commissioned or "natural"

it's beautiful if you let it be beautiful

Horsey Chobunso

grafitti

august 2026
for Melonland Zine Jam

some see grafitti and see trash
photographers paint out graffiti in their shots
landlords, businessmen, and tycoons fear spraypaint
